The beautiful Richmond home plan is 4,695 square feet and features 5 bedrooms, 4 baths, a bonus/media room, a large den and a 3 car garage.

The open concept floor plan highlights a gourmet kitchen that flows into the generous eating nook and impressive great room. The kitchen is an entertainer's delight with Thermador professional style appliances including a 60-inch side-by-side refrigerator/freezer, 48-inch range and stainless steel hood, 24-inch dishwasher and a built-in microwave. Bring the entertainment outside and enjoy evenings on the large covered rear porch. The butler's pantry, which contains a 50 bottle capacity under counter wine cooler, provides direct access from the kitchen to the exquisite formal dining room with rich millwork detail including 42-inch-high custom wainscot paneling. Directly off of the foyer is the spacious Den that has direct access to the main level bathroom and features its own walk-in closet.

The home's master retreat is on the second floor boasting a spa-like master bathroom with a stand-alone soaking tub, over-sized walk-in shower and adjacent walk-in master closet with built-in designer closet system. Additionally, there are 4 spacious bedrooms, 2 full bathrooms and a conveniently located laundry room.

The third floor of this home showcases the over-sized Bonus/Media room with a vaulted ceiling.

The home boasts luxury finishes throughout including rich millwork details, real hardwood flooring, a 3rd generation Nest thermostat, 2 Rinnai tank-less hot water heaters, forced heat/AC, and landscaped in the both front and back yards.
